We look forward to receiving feedback from the EMCAC regarding the draft appraisal. This feedback will be incorporated into the comments that DGS provides the Appraiser. We will receive the final appraisal on July 15. We will also be conducting appraisals of vending stands and of the use of the 300 block of 7th Street as a market area.

While we have received draft feedback on the lease from the merchants, we are still waiting on their final comments.

Eastern Market welcomed two (2) groups of 50 in the North Hall – one in the morning and another in the afternoon. Eastern Market Tenants’ Council Meeting Notes
June 22, 2017

Attending:
Chuck Brome, Chair
Nicole Dean
Anita Jefferson

The Tenants’ Council passed the following Resolutions:

**RESOLUTION 6-22-17-01** Respecting the passing of Isiah Brunson. Tenants’ Council notes with sadness the recent passing of Isiah Brunson. Condolences are offered to his wife, Angie Brunson of Blue Iris Flowers. His longtime weekend presence at the Market will be missed.

**RESOLUTION 6-22-17-02** Safety for Outdoor sidewalk market until 6:30pm (Passed Unanimously)

Tenants’ Council recommends that PSD end time be changed to coincide with the end time for vendors on Broadway and the North Plaza at 6:30 p.m. and not with the opening of 7th street to traffic at 6 p.m. The presence of the uniformed officer(s) and their vehicle will act as a deterrent to theft and add a layer of security for vendors in the evening while they are retrieving their vehicles, loading up and leaving. PSD would leave at either 6:30pm or when there are no vendors left, whichever comes first.

**RESOLUTION 6-22-17-03** Defining roles and responsibilities of PSD for Weekend Market. (Passed Unanimously)

Tenants’ Council requests from Management definition and scope of PSD responsibilities for Saturday and Sunday. Specifically, what is the number of PSD assigned to the indoor, outdoor and parking throughout the day? What are the general responsibilities of PSD while here? i.e. to patrol certain areas, the whole market, etc. Clarity on this item will help manage expectations, particularly of the outdoor vendors.

**RESOLUTION 6-22-17-04** distribution of Market Safety Plan as it relates to weekday and weekend outdoor markets. (passed unanimously)

Tenants’ Council requests distribution of the final safety plan based on previously conducted safety studies. Included should be consideration of prevention and response to massive casualty occurrences. Specifically, what additional safety measures are being considered and/or implemented to provide strong barriers to prevent or slow down vehicles attempting to enter market area with malicious intent.

All the best,
Eastern Market Tenants’ Council
